MEMORANDUM FOR: Donald C. Latham
Chairman, NTISSC

FROM: Executive Director

SUBJECT: CIA Representation

do -

It is my pleasure to nominate William F. Donnelly to replace me as the CIA principal in the NTISSC. Mr. Donnelly is Director of CIA's Office of Information Technology, that element of CIA most directly associated with NTISSC matters. He is already quite familiar with NTISSC procedures, having served as my alternate to Committee meetings several times in the past.
